LEARN 2 CURL IN 10 WEEKS

Join us this fall or winter for a 10 week instructional program to learn the game on and off the ice in a relaxed group setting with other new curlers of similar skill level.

Each week, our program is led by our curling professional and assisted by community coaches to give you the best experience. Your weekly lesson will include 60 minutes of on ice instruction followed by 30 minutes of off ice discussion with a cold beverage. You read that right! Your program fee includes a cold

beverage after curling each week for you to enjoy with your fellow curlers.

All participants who complete the 10 week fall program are encouraged to join our Mixed Social League (MSL) held on Wednesday nights. This social league is the perfect introduction to league play at Bayview as it is a non-competitive environment. As a bonus, your enrollment with the MSL will allow you to spare in all Bayview leagues so you can see the full range of leagues offered at Bayview.

LEARN 2 CURL PRICING

10 Week Fall or Winter Instructional Program - \$300

10 Week Fall Instructional Program + Winter Mixed Social League - \$550

Weekly instruction includes 60 minutes of on ice instruction, 30 minutes of off ice instruction and a complimentary beverage.

**All prices plus HST*
